

AMAZING MOROCCO
Destination Management Company

Who we are

Amazing Morocco belong to Travel Group and is a well-established destination management company founded in 2007 with highly creative, professional and multi-lingual staff looking for long-term and satisfying relationships with both clients and suppliers.

We are primarily concerned with quality service and dedication to our clients - this includes the constant search for new ideas and concepts.

Our Values

- Commitment to outstanding Customer service
- Constant availability
- Proven local knowledge and expertise
- Reliability and strong working ethics
- Commitment to excellence and quality

We are Global

REPRESENTATIVE OFFICES WORLDWIDE

Keeps up with the global trends, continually expands its sales channels and maintains its image as experienced and passionate destination company

Our Team

Our core team is a dedicated group of industry experts from a variety of backgrounds, with a total of over 200 years' experience in the Tourism & events industry.

Our business structure means that our dedicated account teams build strong working relationships with our clients, seamlessly becoming part of their extended team and becoming immersed not only in the events they deliver, but in the overall brand and wider corporate objectives. To best service client demands, we are able to flex when the need arises, bringing in specialist resource to complement our team when appropriate.

A large hot air balloon with a basket full of people is flying over a vast desert landscape at sunrise. The balloon's envelope is striped in red, yellow, and green. The basket is filled with people, some looking out over the horizon. The sun is low on the horizon, creating a warm, golden glow. Another smaller hot air balloon is visible in the distance.

A dark brown mule stands on a rocky, dirt trail on a mountain slope. The mule is facing forward and is wearing a colorful, patterned saddle blanket with yellow, red, and blue accents. The background features a vast mountain range with several peaks covered in snow under a blue sky with scattered white clouds. The overall scene is a scenic mountain landscape.
